NOTE TO AUTHORIZED USERS

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible. Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

ORDER OF PRECEDENCE

The list of documents below address clarifications agreed to by the Contractor and the Office of General Services (OGS) and resolved by the parties and set forth herein in an order of precedence for the Contract award. The documents listed below were included in Solicitation #22844 or provided by the Contractor. Unless otherwise set forth in the procurement or contract documents, conflicts among documents shall be resolved in the following order of precedence:

1. Appendix A (January 2014), Standard Clauses for NYS Contracts (previously provided);
2. Contract Award Letter;
3. Revisions and Clarifications to Bid Specifications dated August 11, 2015, September 10, 2015, September 21, 2015, and September 29, 2015 (previously provided);
4. Invitation for Bids #22844 (Revised September 29, 2015) including all Appendices and Attachments referenced therein (previously provided);

OVERVIEW

This Contract provides Authorized Users with a means of acquiring new Audio Visual equipment and accessories for delivery throughout New York State. Products for purchase by all Authorized Users are described in the Section titled, *Scope*.

Procurement Instructions describing requirements for Authorized Users to purchase from the Centralized Contract are found in the Section titled, *Procurement Instructions*.

ESTIMATED QUANTITIES

All quantities or dollar values listed within this Contract are estimates. No specific quantities or volumes are represented or guaranteed and the State provides no guarantee of individual Authorized User participation. The Contractor(s) must furnish all quantities or dollar values actually ordered. The anticipated dollar value of the award for this IFB, based on historical purchases under previous awards was approximately \$20 million annually. The individual value of each resultant Contract is indeterminate and will depend upon the number of Contracts issued and the competitiveness of the pricing offered. Authorized Users will be encouraged to purchase from Contractors who offer the Products, services and pricing that best meets their needs in the most practical and economical manner. See Appendix B, §29, *Estimated/Specific Quantity Contracts* and §26, *Participation in Centralized Contracts*.

Numerous factors could cause the actual value of the Contract to vary substantially from the historical value. Such factors include, but are not limited to, the following:

- The Contract is a nonexclusive Contract;
- There is no guarantee of volume to be purchased, nor is there any guarantee that demand will continue in any manner consistent with previous purchases;
- The individual value of the Contract is indeterminate and will depend upon actual Authorized User demand, and actual quantities ordered during the Contract period; and,
- The State reserves the right to terminate the Contract for cause or convenience prior to the end of the term pursuant to the terms and conditions of the Contract.

In Procurement Service's experience, depending on the price of a particular item, the actual volume of purchases for that Product could be substantially in excess of, or substantially below, estimated volumes. Specifically, if actual Contract pricing is lower than anticipated or historical pricing, actual quantities purchased could be substantially greater than the estimates; conversely, if actual contract pricing is higher than anticipated or historical pricing, actual quantities purchased could be substantially lower than the estimates. Contractor acknowledges the foregoing and agrees that actual good faith purchasing volumes during the term of the Contract could vary substantially from the estimates/historical values provided in this Contract.

PROCUREMENT INSTRUCTIONS

1. The Contracts resulting from this IFB will be centralized Contracts issued under a multiple award structure. Products and services offered under the Contracts, pricing, and other Contract information will be posted to the OGS website or the awarded Contractors' dedicated NYS websites. Authorized Users shall procure Products and services that best meet their form, function and utility requirements.
2. Before proceeding with a purchase, Authorized Users shall check the list of Preferred Source offerings. Authorized Users are reminded that they must comply with State Finance Law §162, which requires that agencies afford first priority to the commodities/services of Preferred Source suppliers such as Correctional Industries (Corcraft), NYS Preferred Source Program for People Who are Blind (NYSPSP), and NYS Industries for the Disabled (NYSID), when such commodities/services meet the form, function and utility of the Authorized User.
3. Where commodities/services are not available from Preferred Source suppliers in the form, function and utility required by the Authorized User, Authorized Users shall purchase from the centralized Contracts awarded herein. The basis for selection among multiple contracts at the time of purchase shall be the most practical and economic alternative and shall be in the best interests of the State. Therefore, Authorized Users are strongly encouraged to obtain quotes from at least three (3) Contractors prior to issuing a purchase order, in order to ensure that the Authorized User is receiving the best possible pricing.
4. When placing Purchase Orders under the Contract(s), the Authorized User should be familiar with and follow the terms and conditions governing its use. The Authorized User is accountable and responsible for compliance with the requirements of public procurement processes. The Authorized User, when purchasing from OGS Contracts, should hold the Contractor accountable for Contract compliance and meeting the Contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, Authorized Users are encouraged to seek improved pricing whenever possible. Authorized Users have the responsibility to document purchases which should include:
 - statement of need and associated requirements;
 - obtaining all necessary prior approvals;
 - a summary of the Contract alternatives considered for the purchase; and
 - the reason(s) supporting the resulting purchase (e.g., show that basis for the selection among multiple Contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).
5. Authorized Users will issue purchase orders directly to the Contractor or the Contractor's authorized Reseller (if applicable), as specified by the Contractor, and specify any shipping/delivery requirements and/or statements of work for services (if applicable).
6. Upon Authorized User acceptance of Products and/or services itemized on the purchase order, Contractor will invoice Authorized User for any portion of Products and/or services accepted, and accordingly, Authorized User will arrange for payment. Contractor shall provide itemized invoicing for all Products and services.

Note: Contractor must disclose any forms or other order information that Contractor will attach to orders or require to be completed with Authorized User purchases. Documents which contain additional terms or conditions must receive pre-approval by OGS for use under the Contract. Additional terms or conditions that were not pre-approved by the Authorized User or which conflict with the Contract terms and conditions are void and unenforceable at the sole discretion of the State.

PRICE

All prices are freight on board (F.O.B.) destination tailgate delivery at the dock of the Authorized User (see Appendix B, §34b, Shipping Charges) including all customs, duties and charges to any destination in New York State. Standard shipping costs are to be prepaid by Contractor and, when determining the NYS Net Price, shall not be separately added to the Authorized User's invoice.

The percentage discount offered to Authorized Users may, at the Contractor's option, be increased based on individual orders. Discounts may be greater, but in no instance may they be lower than the awarded discount. See Section titled, *Contract Pricelist Update Procedures*.

CONTRACT PRICELIST UPDATE PROCEDURES

The procedures below outline how Contract pricelist updates will be handled under this Contract. NOTE: THE FOLLOWING PROCEDURES ARE NOT APPLICABLE TO CONTRACTOR PROPOSED CHANGES TO CONTRACT TERMS AND CONDITIONS. Any implied or express request for changes in or additions to existing Contract terms and conditions, including new terms and conditions associated with a specific product line being added to the Contract for the first time, requires a formal Contract amendment and requires the approval of OGS. New or revised Contract terms and conditions are subject to the restrictions set forth in Appendix B, Section 27, *Modification of Contract Terms*.

1. General

Contractor may update their pricelist as follows:

1. In the first year of the Contract, the Contractor shall be allowed to update the pricelist twice to add/delete Products and services as established by the Contractor in their normal course of business. However, pricelist updates must be submitted no earlier than sixty (60) calendar days from the date of OGS approval of prior pricelist update. There shall be no price increases allowed for existing Products and services during the first year of the contract.
2. Commencing with the second year of the Contract, the Contractor may update the pricelist semiannually to reflect Contractor price changes and the addition/deletion of Products and services as established by the Contractor in their normal course of business; thirty (30) calendar days from the anniversary date of the Contract; and, thirty (30) calendar days from the semiannual anniversary date of the Contract. The thirty (30) calendar days includes the anniversary and semiannual anniversary date of the Contract.

Any new Products or services added to pricelists shall have a discount structure consistent with existing Products and services on the pricelist that are comparable in scope. Contractors shall submit their updated pricelist to the OGS Procurement Services contract administrator pursuant to the requirements of this section for review and written approval prior to issuing to Authorized Users or posting to the Contractor's dedicated New York State website.

All approved pricelist updates shall apply prospectively upon approval by OGS. Any request for a pricelist update not received in accordance with this section shall be deemed denied. Total price increases for pricelist updates in a single year of the Contract shall not exceed the escalation cap in set forth in subdivision (4), Escalation Cap, below. All percentage discounts shall remain firm (unchanged) or they may increase for the duration of the Contract.

2. Pricelist Format

Contractor is required to submit Contract pricelist updates electronically in an unprotected Microsoft Excel (2013 or lower version) spreadsheet either on CD or via e-mail to the OGS Procurement Services contract administrator. The pricelist must be dated and the format shall be consistent with the format of the Contractor's approved Contract pricelist. The pricelist shall separately include and identify (e.g., by use of separate worksheets or by using highlighting, italics, bold and/or color fonts):

1. Price increases;
2. Price decreases;
3. Products being added; and
4. Products being deleted.

3. Contractor's Submission of Contract Updates

In connection with any Contract pricelist update, OGS reserves the right to:

1. Request additional information;
2. Reject Contract updates;
3. Remove Products from Contracts;
4. Remove Products from Contract updates; and
5. Request additional discounts for new or existing Products.

4. Escalation Cap

In a single year of the Contract the total request for price increases shall not exceed the lesser of:

1. three (3%) percent annually, or
2. the percent increase in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

The following example illustrates the computation of percent change:

CPI for current period	230.000
Less CPI for previous period	225.000
Equals index point change	5.000
Divided by previous period CPI	225.000
Equals	0.022
Result multiplied by 100	0.022 x 100
Equals percent change	2.2

The “CPI for current period” shall be the index in effect at the time the Contract pricelist update request is received; “CPI for previous period” shall be the index in effect when the Contract pricelist was last updated.

5. Supporting Documentation

Each pricelist update request must be accompanied by an electronic copy of Contractor’s nationally published pricelist(s) in its original format detailing current list prices relevant to the Products the Contractor is updating. If the NYS net prices are based on a GSA Schedule or WSCA Contract, that pricing must also be included with the update request.

6. Cover Letters

All Contract pricelist updates shall be accompanied by a cover letter describing the nature and purpose of the update (e.g., update requested in order to reflect a recently approved GSA Schedule or WSCA Contract pricing update, to add/delete Products or services, etc.).

7. GSA Pricing

Where NYS net pricing is based upon an approved GSA Supply Schedule:

1. Associated Discounts: The State is entitled to all associated discounts enumerated in the GSA Supply Schedule (including, but not limited to, discounts for additional sites and volume discounts), as well as any other pricing or discount terms as are expressly enumerated in the NYS Contract or GSA schedule, when calculating the NYS Net Price; and
2. Industrial Funding Fee: GSA pricing incorporates a sum referred to as the “GSA Industrial Funding Fee.” (“IFF”) OGS reserves the right to require either that: the IFF is remitted directly to OGS, or the NYS Contract prices are reduced by an amount equivalent to the IFF. If the latter, the NYS Net Price shall be calculated by reducing the published GSA price, after the discounts, if any, set forth in paragraph (1), above, downward by the amount of the IFF, currently set at .75%. Therefore, the “NYS Net Price” shall be calculated by multiplying 0.9925 times the GSA price.

CONTRACT PERIOD AND RENEWAL

The term of this Contract shall be for five (5) years. The contract shall commence after all necessary approvals by both parties and shall become effective upon the mailing or electronic communication of the final executed contract documents (see Appendix B, *Contract Creation/Execution*). All Contracts will terminate conterminously five (5) years from the date of the approval of the first contract awarded as a result of the IFB or any subsequent periodic recruitment.

The parties may renew the contract by written agreement signed by both parties, upon expiration of the original term and approval of the OGS, for two (2) additional one (1) year terms.

TERMINATION FOR CONVENIENCE

The State of New York retains the right to cancel this Contract, in whole or in part without reason (see Appendix B, §46.b, *Termination for Convenience*).

SHORT TERM EXTENSION

In the event a replacement Contract has not been issued, any Contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one (1) month upon notice to the Contractor with the same terms and conditions as the original Contract and any approved modifications. With the concurrence of the Contractor, the extension may be for a period of up to three (3) months in lieu of one (1) month. However, this extension terminates should a replacement Contract be issued in the interim.

PERIODIC RECRUITMENT

The State reserves the right to add Contractors beginning in the second year of the Contract and at one year intervals thereafter. The State will formally announce when the bid is reissued, at the discretion of the State. Contractors shall be required to submit such Bid documentation as required by OGS, which may include additional applicable statutory requirements currently in effect at the time of the new Bid solicitation. Once awarded a Contract, a Contractor may not resubmit a Bid for future consideration. In addition, if a Bid is deemed non-responsive under periodic recruitment, a vendor cannot reapply for a future Contract until the next periodic recruitment period. For Contracts that are awarded under periodic recruitment, the Contract term will commence upon OGS approval in accordance with Appendix B, Section 24, *Contract Creation/Execution* and will terminate on the then current end date of the Contract or at the end of any approved extension or renewal period.

Vendors shall be required to submit this original bid document which may include additional applicable statutory requirements currently in effect at the time of the new bid solicitation. Contractors are advised to review the "Qualification of Contractors" clause before submitting a bid under periodic recruitment to ensure they can meet all bid requirements. Under periodic recruitment, the Bidder must demonstrate proof of a minimum sales volume of \$1,000,000 in Products and services for the pricelist offered to national public entities in the 36 month period preceding the Bid opening date. Required proof of sales should be submitted at the time of Bid submission. Failure to submit proof of sales at the time of Bid submission may result in rejection of a Bid. NYS OGS Procurement Services reserves the right to request copies of purchase orders and/or invoices for verification or clarification. In addition, if a Bid is rejected under periodic recruitment, a Bidder cannot reapply for a future contract until the next periodic recruitment period. For Bids that are awarded under periodic recruitment, the Contract term will commence upon award and terminate on the current end date of the Contract unless an extension is mutually agreed upon between Procurement Services and the Contractor.

CONTRACT ADVERTISING

In addition to the requirements set forth in Appendix B, *Advertising Results*, any Contractor advertisements, promotional literature and/or Contract description(s) of Contract awards must be reviewed and approved by Procurement Services prior to issuance.

INSTALLATION AND NETWORKING

Installation and Networking shall result in fully operational Audio Visual Equipment that is ready for use by an Authorized User. Installation and Networking offerings must be directly related to the operational functioning of the Audio Visual Equipment procured under the Contract and shall be submitted through Attachment 1, Pricelist (Revised September 29, 2015). The Contract is not intended to be a mechanism to procure standalone Networking Services unrelated to Audio Visual Equipment procured under the Contract.

MAINTENANCE AND SUPPORT SERVICES

The following Maintenance and support offerings are authorized under the Contract. Any services procured under the Contract must be directly related to the Audio Visual Equipment purchased under this Contract. The Contractor agrees that malfunctions that cannot be immediately diagnosed and attributed to a certain piece of equipment will require the participation of the Contractor until the problem resolution and responsibility is identified. Maintenance plan options which are available as part of the Contractor's standard commercial offerings may be offered under this Contract.

- 1. Audio Visual Equipment Maintenance:** Services to protect the Audio Visual Equipment, including but not limited to remedial repairs and upgrades, and Software/firmware updates. Contractor shall maintain the Product, while covered under Maintenance, so as to provide Authorized User with the ability to utilize the Product without significant functional downtime to the Authorized User's ongoing business operations.
- 2. Legacy Maintenance:** Contractor may offer Maintenance services on EOL Equipment that is not being offered under this Contract, provided that the equipment fits the scope of the Contract set forth in Section titled, *Scope*.

4. **Remote Administration Services:** Contractor’s pricelist must include a description of any remote administration service offerings. Connections to networks must be performed in a manner prescribed by an Authorized User to preserve the integrity of the network, confidentiality and integrity of information transmitted over that network, and the availability of the network. Remote administration shall be directly related to monitoring Audio Visual Equipment performance and diagnostics. Any Remote Administrative Services involving storage of Authorized User data in the Cloud is excluded from the scope of this Solicitation. All remote administration services shall be compliant with New York State Cyber Security Policy P03-002, as may be amended, modified or superseded:

These services may include, but are not limited to, the following:
1. System setup (e.g., key operator orientation, system parameters);

 5. Hardware verification (including appropriate tests and diagnostics to ensure proper Product operation).

Installation work which is considered Public Works in accordance with the New York State Labor Law is **excluded** from purchase under this Contract. Historically, the New York State Bureau of Public Works has maintained that installation, maintenance and repair of equipment attached to any wall, ceiling or floor or affixed by hard wiring or plumbing is Public Work. In contrast, installation of a piece of equipment which is portable or a “plug-in” free-standing unit would not be considered Public Work. Thus, this Contract does not authorize installation where the equipment becomes a permanent part of the building structure, or is otherwise incorporated into the fabric of the building (e.g., installation on a wall, ceiling or floor in a fixed location, or affixed by hard-wiring or plumbing). See Appendix B §8, *Prevailing Wage Rates - Public Works and Building Services Contracts*. For questions about whether a proposed installation constitutes public work, please contact the New York State Department of Labor’s Bureau of Public Work District Office in your area. A listing of district offices and contact information is available at <http://www.labor.state.ny.us/workerprotection/publicwork/PWContactUs.shtm>.

PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS

1. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”), the New York State Office of General Services (“OGS”) is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBES”) and the employment of minority group members and women in the performance of OGS contracts.

2. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for MWBEs. Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section, and/or enforcement proceedings as allowed by the Contract and applicable law.

3. Equal Employment Opportunity (EEO)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.
 - 1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate or distinct from the Contract; or (ii) employment outside New York State.
 - 2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor’s equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.

B. Form EEO 100 - Staffing Plan.

To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.

C. Form EEO 101 - Workforce Utilization Reporting Form (Commodities and Services) (“Form EEO-101-Commodities and Services”)

1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
2. Separate forms shall be completed by Contractor and any subcontractor.
3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.

D. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. Contract Goals

- A. OGS hereby establishes an overall goal of **30% for MWBE participation**, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under the Contract.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address:
<https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR § 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women Owned Businesses Enterprises. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).

5. MWBE Utilization Plan

- A. In accordance with 5 NYCRR § 142.4, Contractors are required to submit a completed Utilization Plan on Form MWBE 100 with their response.
- B. The Utilization Plan shall list the MWBEs the Contractor intends to use to perform the Contract, a description of the Contract scope of work the Contractor intends the MWBE to perform to meet the goals on the Contract, the estimated or, if known, actual dollar amounts to be paid to an MWBE. By signing the Utilization Plan, the Contractor acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by New York State Certified MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.
- C. By entering into the Contract, Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. When an MWBE is serving as a broker on the Contract, only 25 percent of all sums paid to a broker shall be deemed to represent the commercially useful function performed by the MWBE
- D. OGS will review the submitted MWBE Utilization Plan and advise the Contractor of OGS acceptance or issue a notice of deficiency within 30 days of receipt.
- E. If a notice of deficiency is issued; Contractor agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to OGS a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Contractor and direct the Contractor to submit, within five (5) business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- F. OGS may disqualify a Contractor's bid/proposal as being non-responsive under the following circumstances:
 - (a) If a Contractor fails to submit an MWBE Utilization Plan;
 - (b) If a Contractor fails to submit a written remedy to a notice of deficiency;
 - (c) If a Contractor fails to submit a request for waiver; or
 - (d) If OGS determines that the Contractor has failed to document good faith efforts.
- G. Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.
- H. Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

6. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Contractor shall contact the Designated Contacts listed on page 1 of the Extension Letter for guidance.
- B. In accordance with 5 NYCRR § 142.7, a Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Contractor may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) business days of receipt.

- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract extension may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

7. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

- 1. A list of the general circulation, trade and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers, copies of such solicitations and any responses thereto.
- 2. A list of the certified MWBEs appearing in the Empire State Development (“ESD”) MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
- 3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
- 4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
- 5. Dates of any meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
- 6. Other information deemed relevant to the request.

8. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month’s activity, documenting progress made towards achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System (“NYSCS”) to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.
- B. When a Contractor receives a payment from a State agency, it is the Contractor’s responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification (“audit notice”) indicating that a representative of its company needs to log-in to the NYSCS to report the company’s MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor’s responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.
- C. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: **“Introduction to the**

System - Vendor training” and **“Contract Compliance Reporting - Vendor Training**” to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>

- D. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on **“Account Lookup”** to identify the Contractor’s account by company name. Contact information should be reviewed and updated if necessary, by choosing **“Change Info.”** It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through **“Request New User.”** When identifying the person responsible, please add **“- MWBE Contact”** after his or her last name (i.e., John Doe – MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for **“Contact Us & Support”** then **“Technical Support”** on the NYSCS website.
- E. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: OGS MWBE Office, 29th floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- F. It is the Contractor’s responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages clause in clause IX below.

9. Breach of Contract and Liquidated Damages

- A. Where OGS determines that the Contractor is not in compliance with the requirements of this Contract, and the Contractor refuses to comply with such requirements, or if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, the Contractor shall be obligated to pay liquidated damages to OGS.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
7. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 8. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. If OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by OGS, Contractor shall pay such liquidated damages to OGS within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

10. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD’s Division of Minority and Women’s Business Development at (855) 373-4692.

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. OGS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of OGS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of

By signing the Utilization Plan, the Contractor acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to OGS.
- C. OGS will review the submitted SDVOB Utilization Plan and advise the Contractor of OGS acceptance or issue a notice of deficiency within 20 days of receipt.

- E. OGS may disqualify a Contractor's bid/proposal as being non-responsive under the following circumstances:

 - (c) If a Contractor fails to submit a request for waiver; or

- G. Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

III. Request For Waiver

- A. Prior to submission of a request for a partial or total waiver, Contractor shall speak to the Designated Contacts at OGS for guidance.

- B. In accordance with 9 NYCRR § 252.2(m), a Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in clause IV below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A Contractor may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by OGS at that time, the provisions of clauses II (C), (D) & (E) will apply. If the documentation included with the Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

2. Explanation of the specific reasons each SDVOB that responded to Contractor's solicitation was not selected.
3. Dates of any meetings attended by Contractor, if any, scheduled by OGS with certified SDVOBs whom OGS determined were capable of fulfilling the SDVOB goals set in the Contract.
4. Information describing the specific steps undertaken to reasonably structure the Contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.

NEW YORK STATE FINANCIAL SYSTEM (SFS)

New York State is currently operating on an Enterprise Resource Planning (ERP) system, Oracle PeopleSoft software, referred to as the Statewide Financial System (SFS). SFS is currently on PeopleSoft Financials version 9.2 Bundle 18, operating on PeopleTools version 8.49.33.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure goods and services in SFS. This application provides catalog capabilities. Vendors with centralized contracts have the ability to provide a “hosted” or “punch-out” catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. There are no fees required for a Vendor’s participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State is also implementing the PeopleSoft Inventory module in the near future to track inventory items within the item master table. Further information regarding business processes, interfaces, and file layouts may be found at: www.sfs.ny.gov and <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

USE OF RECYCLED OR REMANUFACTURED MATERIALS

The New York State, as a member of the Council of Great Lakes Governors, supports and encourages vendors to use recycled, remanufactured or recovered materials in the manufacture of products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the product or packaging unless such use is precluded due to health or safety requirements or product specifications contained herein. Refurbished or remanufactured components or products are required to be restored to original performance and regulatory standards and functions and are required to meet all other requirements of this Bid solicitation. Warranties on refurbished or remanufactured components or products must be identical to the manufacturer's new equipment warranty or industry's normal warranty when remanufacturer does not offer new equipment. See "Remanufactured, Recycled, Recyclable or Recovered Materials" in Appendix B, Section 13, *Remanufactured, Recycled, Recyclable or Recovered Materials*.

BULK DELIVERY AND ALTERNATE PACKAGING

New York State encourages the use of innovative packaging that reduces the weight of packaging and the generation of packaging waste. A contractor is encouraged to use reusable materials and containers and to utilize packaging configurations that take advantage of storage containers designed to be part of the product for the shipment of multi-unit purchases. New York State recognizes that these packaging methods are in the development stage and may not be currently available. Authorized Users are urged to inquire about these programs at the time of purchase and determine the best solution for their needs.

SURPLUS/TAKE-BACK/RECYCLING

1. A State agency is reminded of its obligation to comply with the NY State Finance Law §§167, Transfer and Disposal of Personal Property, and 168, The Management of Surplus Computer Equipment, regarding transfer and disposal of surplus personal property before utilizing take-back, recycling, or other options for disposition of equipment that is still in operable condition.
2. If Contractor offers a take-back/recycling program, then Contractor shall provide a record of disposition to each Authorized User who participates in the take-back/recycling program for units transferred for disposition. Contractor shall provide documentation that the units were disposed of in an environmentally sound manner in compliance with applicable local, state and federal laws. See Section 3 below for specific requirements governing electronic equipment recycling.
3. The NYS Department of Environmental Conservation (DEC) Electronic Equipment Recycling and Reuse Act (“Act”) (Environmental Conservation Law, Article 27, Title 26, Electronic Equipment Recycling and Reuse), requires manufacturers to establish a convenient system for the collection, handling, and recycling or reuse of electronic waste. If Contractor is a manufacturer of electronic equipment covered by the Act, Contractor agrees to comply with the requirements of the Act. More information regarding the Act can be found on the DEC website at: <http://www.dec.ny.gov/chemical/65583.html>.
4. If a Contractor offers a take-back/recycling program or offers an electronic equipment recycling program pursuant to the Act, and an Authorized User participates in same, then the Authorized User shall ensure the destruction of all data from any hard drives surrendered with the machines/covered electronic equipment. Contractor shall not require an Authorized User to surrender the hard drive, as an Authorized User may wish to retain the hard drive for security purposes. Contractor shall advise the Authorized User in advance if the retention of the hard drive results in additional fees or reduction in trade-in value. It is recommended that an Authorized User use a procedure for ensuring the destruction of confidential data stored on hard drives or other storage media that meets or exceeds the National Institute of Standards and Technology (NIST) Guidelines for Media Sanitation as found in NIST Special Publication 800-88.

ENVIRONMENTAL ATTRIBUTES AND NYS EXECUTIVE ORDER NUMBER 4

New York State is committed to environmental sustainability and endeavors to procure products with reduced environmental impact. One example of this commitment may be found in Executive Order No. 4 (Establishing a State Green Procurement and Agency Sustainability Program), which imposes certain requirements on state agencies, authorities, and public benefit corporations when procuring commodities, services, and technology. More information on Executive Order No. 4, including specifications for offerings covered by this Contract, may be found at: <http://ogs.ny.gov/EO/4/Default.asp>. State entities subject to Executive Order No. 4 are advised to become familiar with the specifications that have been developed in accordance with the Order, and to incorporate them, as applicable, when making purchases under this Contract.

PREFERRED SOURCE PRODUCTS

Section 162 of the State Finance Law requires that agencies, including Executive Agencies, afford first priority to the products/services of preferred source suppliers such as Corcraft (the marketplace name for the NYS Department of Corrections and Community Supervision, Division of Industries), New York State Preferred Source Program for People who are Blind (NYSPSP), and New York State Industries for the Disabled (NYSID), and others determined by law, when such products/services meet the form, function and utility of the agency. Some products/services in the resultant Contract(s) may be available from one or more preferred sources. An Authorized User must determine if a particular commodity or service is approved for a Preferred Source and follow the requirements of State Finance Law Section 162(3) or (4)(b), respectively, before engaging the Contractor.

NEW YORK STATE VENDOR RESPONSIBILITY

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or her designee, her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or her designee issues a written notice authorizing a resumption of performance under the Contract. The Contractor agrees that if it is found by the State that the Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or her designee to be non-responsible. In such event, the Commissioner of OGS or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

NEW YORK STATE TAX LAW SECTION 5-A

Tax Law Section 5-a requires certain Contractors awarded state Contracts for commodities, services and technology valued at more than \$100,000 to certify to NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State is in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

Contractors may consult with DTF's website at <http://www.tax.ny.gov/> for additional information and frequently asked questions.

OVERLAPPING CONTRACT ITEMS

Products/services available in the resulting Contract may also be available from other New York State Contracts. Authorized Users will be advised to select the most cost effective procurement alternative that meets their program requirements and to maintain a procurement record documenting the basis for this selection.

“OGS OR LESS” GUIDELINES

Purchases of the Products included in the IFB and resulting Contract are subject to the "OGS or Less" provisions of State Finance Law §163(3) (a) (v). This means that State Agencies can purchase products from sources other than the Contractor provided that such products are substantially similar in form, function or utility to the products herein and are:

1. lower in price

-and/or-
2. available under terms which are more economically efficient to the State Agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State Contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office and competitive bidding of requirements exceeding the discretionary bid limit. State Agencies should refer to Procurement Council Guidelines for additional information.

NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS

New York State political subdivisions and others authorized by New York State law may participate in contracts. These include, but are not limited to local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See Appendix B, Sections 2, *Definitions* (“Authorized User”) and 26, *Participation in Centralized Contracts*. For purchase orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the "Price" clause shall be modified to include delivery to locations adjacent to New York State. Upon request, all eligible non-State agencies must furnish contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (www.ogs.state.ny.us). Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to OGS Procurement Services' Customer Services at 518-474-6717.

NOTE TO ALL NON-STATE AGENCIES AND BIDDERS

All such participating non-State agencies and Bidders understand, acknowledge and agree that the primary responsibility in regard to performance of the Contract, of any obligation, covenant, condition or term thereunder by either such party thereto shall be borne and is expressly assumed by the participating non-State agencies and Contractor and not by the State. In the event of a failure or breach in performance of any such Contract by a non-State Agency or Contractor, the State specifically and expressly disclaims any and all liability for such defective performance or breach, and the eligible participating non-State agencies and Contractor guarantee to save the State, its officers, agents and employees harmless from any liability that may be or is imposed by the failure of either party to perform in accordance with its obligations, covenants and the terms and conditions of the State Centralized Contract.

EXTENSION OF USE

The contract may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the Contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate in any resultant Contract if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

EMERGENCY PURCHASING

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or that the Commissioner determines pursuant to his/her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of products or services, the Commissioner reserves the right to obtain such products and services from any source, including but not limited to this Contract, as the Commissioner in his/her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

CONTRACTOR PERFORMANCE

Authorized Users should notify the Procurement Services Contract administrator promptly if the Contractor fails to meet the requirements of this Contract. Performance which is otherwise unsatisfactory to the Authorized User should also be reported to Procurement Services.

MERCURY-ADDED CONSUMER PRODUCTS

Contractor agrees that it will not sell or distribute fever thermometers containing mercury or any products containing elemental mercury for any purpose under this Contract.

RESERVATION

The State reserves the right to negotiate lower pricing, or to advertise for bids, any unanticipated excessive purchase. An “unanticipated excessive purchase” is defined as an unexpected order for a Contract product(s) totaling more than \$75,000.00.

AMERICANS WITH DISABILITIES ACT (ADA)

The Federal ADA Act, signed into law July 26, 1990, bars employment discrimination and requires all levels of Government to provide necessary and reasonable accommodations to qualified workers with disabilities. Contractors are required to identify and offer any software or hardware products they manufacture or adapt which may be used or adapted for use by visually, hearing, or any other physically impaired individuals. Although it is not mandatory for Contractors to have this equipment in order to receive an award, it is necessary to identify any such equipment offered they have which falls into the above category.

ADDITIONAL REQUIREMENTS

1. NO DRUGS OR ALCOHOL

For reasons of safety and public policy, in any Contract resulting from this procurement, the use of illegal drugs and/or alcoholic beverages by the Contractor or its personnel shall not be permitted while performing any phase of the work herein specified.

2. TRAFFIC INFRACTIONS

The State will not be liable for any expense incurred by the Contractor for any parking fees or as a consequence of any traffic infraction or parking violations attributable to employees of the Contractor.

APPENDIX B AMENDMENTS

Appendix B, §56, *Indemnification* is hereby deleted and replaced with the following:

Contractor shall be fully liable for the actions of its agents, employees, partners or Subcontractors and shall fully defend, indemnify and hold harmless the Authorized Users from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by any intentional act or negligence of Contractor, its agents, employees, partners or Subcontractors, which shall arise from or result directly or indirectly from this Contract, without limitation; provided, however, that the Contractor shall not indemnify to the extent any claim, loss or damage arising hereunder is due to the negligent act, failure to act, gross negligence or willful misconduct of the Authorized Users.

The Authorized User shall give Contractor: (i) prompt written notice of any action, claim or threat of suit, or other suit for which Contractor is required to fully indemnify an Authorized User, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action, claim or suit at the expense of Contractor. Notwithstanding the foregoing, the State reserves the right to join such action, at its sole expense, if it determines there is an issue involving a significant public interest.

In the event that an action or proceeding at law or in equity is commenced against the Authorized User arising out of a claim for death, personal injury or damage to real or personal tangible property caused by any intentional or willful act, gross negligence, or negligence of Contractor, its agents, employees, partners or Subcontractors, which shall arise from or result directly or indirectly from the Products supplied under this Contract, and Contractor is of the opinion that the allegations in such action in whole or in part are not covered by the indemnification and defense provisions set forth in the Contract, Contractor shall immediately notify the Authorized User and the New York State Office of the Attorney General in writing and shall specify to what extent Contractor believes it is obligated to defend and indemnify under the 22844ra23

terms and conditions of the Contract and to what extent it is not so obligated to defend and indemnify. Contractor shall in such event attempt to secure a continuance to permit the State and the Authorized User to appear and defend their interests in cooperation with Contractor, as is appropriate, including any jurisdictional defenses the State and Authorized User may have. In the event of a dispute regarding the defense, the Contractor and the Attorney General shall try to reach an amicable resolution, but the Attorney General shall have the final determination on such matters.
