CONTRACT NO.: PC67679 **CONTRACTOR:** Cenvéo Corporation

Pursuant to Appendix B, Section 44, Savings/Force Majeure, an equitable adjustment to the contract pricing is being made due to extreme and unforeseen volatility in the marketplace affecting pricing and the availability of raw materials. Accordingly, revised pricing is being issued.

Authorized Users are also reminded that Cenvéo has been allowed to temporarily substitute Virgin White Wove and Virgin Brown Kraft products in place of recycled paper products due to ongoing availability issues with recycled paper products. OGS and Cenvéo will continue to assess market conditions affecting the supply of recycled paper products.

Before purchasing from the contract, authorized users should reference the most recent pricing which lists an issue date of October 10, 2018.

Contract Award Notification Update

Subject: Price Adjustments Effective July 17, 2018 and Market Conditions for Recycled Product

DATE: July 16, 2018 **AWARD #:** [22988](#) **GROUP #:** 50030

AWARD DESCRIPTION: Wove and Kraft Envelopes (State Agencies)

CONTRACT NO.: PC67679 **CONTRACTOR:** Cenvéo Corporation

In accordance with the Price Adjustment clause contained in the contract, effective July 17, 2018, a price adjustment shall apply to the envelope prices of the contract.

Please be advised that due to the Department of Labor discontinuing the PPI Producer Price Index for Envelope Manufacturing (PCU3222303222302), which was initially referenced in the Price Adjustment clause of this Contract Award, the PPI Producer Price Index for Stationary Product Manufacturing, Envelopes (PCU3222303222305) will now serve as the replacement Index for this Contract Award moving forward.

Due to current market conditions affecting the availability of recycled paper products, the Office of General Services (OGS) is also allowing Cenvéo to temporarily substitute Virgin White Wove and Virgin Brown Kraft product in place of recycled product. Cenvéo believes they currently have sufficient recycled product on hand to fulfill orders through August, but not beyond. Authorized Users should be advised of this when placing future orders. OGS will continue to assess market conditions affecting the supply of recycled paper products.

The above referenced changes have been incorporated into the revised pricing and Contract Award Notification that are being issued with this update. Before purchasing from the contract, authorized users should reference current copies of the pricing and Contract Award Notification which list a revised issue date of July 17, 2018.
