

## Fuel Requirement Submittal Guidelines

**RL-206 – Diesel Fuel, Ultra-Low Sulfur and Biodiesel  
(On-Road Use Only)**

**Contract Period: 8/31/2018 – 8/27/2020  
(with 3 years of renewal options)**

When submitting your agency's/building's fuel requirements, please pay close attention to the following:

1. **Make sure your contact information is current.**

Please review the information associated with your delivery site and update it if necessary. Include anything that is missing (including phone numbers and email addresses) and remove information of any person who no longer works at the delivery site. If there are issues with your filing or in awarding a contract for your county, Procurement Services will be unable to contact you if the information is out of date, which could result in your requirements being omitted from the delivery schedule and the final award.

2. Make sure information for tanks, requirements and locations is accurate.

3. Be aware that minimum delivery quantity must be 250 gallons in accordance with contract terms.

4. All required volumes must be submitted in **GALLONS**.

5. Enter only one year (12 months) volume for each fuel type you require.

- **Fuel Type Options:**

- Regular Diesel (2D or 2-D)

- Premium Diesel (2PD or 2-PD)

- B5 – a blend of 95% petroleum diesel and 5% soy-based product

- B10 – a blend of 90% petroleum diesel and 10% soy-based product

- B20 – a blend of 80% petroleum diesel and 20% soy-based product

- Please indicate if winter blend is NOT required, and/or any other details pertaining to your winter mix blending requirements.

6. Please explain any special delivery requirement (e.g., gallons per week or month, extra-long hose required due to location of tank, hose over water delivery, hours of delivery, winter blend etc.).

7. **Please print a copy of your confirmation page for your records.**

**By filing your fuel requirements, you are giving consent to OGS Procurement Services to award contracts on behalf of your facility for the full contract period.**

**Please note: Once your requirements have been submitted, your agency is obligated to purchase its required fuel from the fuel vendor that is awarded a contract for that fuel type and delivery location. YOU MUST NOT ENTER INTO ANY OTHER CONTRACT FOR AWARDED FUEL TYPES DURING THE FULL CONTRACT PERIOD.**
